**THE 12 MONTH “RENT TO OWN” PROGRAM**

Would you like to acquire new equipment and you would prefer not to pay cash or make a long term commitment? Well then Unisource is pleased to announce an exciting program designed to allow you to acquire your equipment now with *the most competitive 12 Month “Rent to Own” program available today!* Here is how it works:

Take the Equipment cost, service, freight, installation, even some supplies, etc., now divide by 12 and *that is the monthly payment!* (12 month term only). For example, \$12,000 divided by 12 months = \$1,000 per month (plus tax). Program requires first and last monthly payments in advance. Customer makes the balance of monthly payments and then takes title to the equipment for a 10% Buyout (equal to 10% of the financed amount or \$1,200 in this example).

Call now to get your priority approval for this *exceptional program* valid for approved transactions over \$8,000
